This disclosure contains information about terms, fees, and interest rates for some of the accounts we offer.

**Interest Rates and Annual Percentage Yields are current as of 08-07-2023.**  
**For current rate information call (870) 238-8171.**

**KASASA CASH**

**Rate Information:** This Account is an interest bearing account. If the daily balance is less than \$15,000.01, the interest rate paid on that portion of the balance will be 1.99%. The annual percentage yield for this tier will be 2.01%. If the daily balance is more than \$15,000.00, but less than \$1,000,000.00, the interest rate paid on that portion of the balance will be 0.20%. The annual percentage yield for this tier will range from 2.01% to 0.23%.

The interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on the account Monthly. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly. If the account is closed before interest is credited, you will not receive the accrued interest.

**Balance Information:** We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$0.01 in the account each day to obtain the disclosed annual percentage yield.

**Limitations:** You must deposit \$10.00 to open this account.

**Account Overview** - Kasasa Cash is a free, variable rate checking account with no minimum balance that rewards accountholders with interest and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycles.

**Purpose and Expected Use of Account** - This account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. For example, five debit card transactions, each for a dollar, conducted at a convenience store, two days before the end of the cycle period would not be considered by our institution as normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

This financial institution reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over six (6) consecutive Statement Cycles (e.g. not meeting qualifications to receive rewards).

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Cashier's Check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash account, any optional add-on products/services associated with this account will also be terminated at the same time.

**Qualifications** - To earn your rewards just do the following transactions and activities in your Kasasa Cash account during each Monthly Qualification Cycle:

**\*\*\*Have at least 10 debit card purchases post and settle**

**\*\*\*Have at least 1 automatic payment (ACH) or direct deposit post and settle**

**\*\*\*Be enrolled in and agree to receive e-Statements**

Please note transactions and activities may take one (1) or more business days from the date the transaction or activity occurred to post and settle to the account. The following activities do not count toward earning account rewards: ATM-processed transactions, transfers between accounts and debit-card purchases processed by merchants and received by our bank as ATM transactions, non-retail payment transactions and purchases made with debit cards not issued by our bank. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.

**"Business Day"** means a calendar day other than a Saturday or a Sunday, January 1, the third Monday in January, the third Monday in February, the last Monday in May, July 4, the first Monday in September, the second Monday in October, November 11, the fourth Thursday in November, or December 25. If January 1, July 4, November 11, or December 25 fall on a Sunday, the next Monday is not a business day.

**"Monthly Qualification Cycle"** means a period beginning one (1) business day prior to the first day of the current statement cycle through one (1) business day prior to the close of the current statement cycle. The monthly qualification cycle will end on the second Tuesday of each month. The statement will cycle on the following Wednesday.

**"Statement Cycle"** means the period of time for which this institution provides a summary of the financial activities and transactions that post and settle to the accountholder's account.

**Rewards** - When your Kasasa Cash qualifications are met during a Monthly Qualification Cycle, the **Rate Information** section above explains the interest rates and annual percentage yields earned **AND** you will receive reimbursements up to \$30.00 for nationwide ATM withdrawal fees imposed by other financial institutions and this financial institution and incurred during the Monthly Qualification Cycle in which you qualified.

ATM fee reimbursements will be credited to your account on the last day of the current statement cycle. If you believe that you have not been reimbursed the correct amount, contact us no later than 60 days after the statement cycle when the reimbursement was applicable.

**When Kasasa Cash qualifications are not met, the interest rate paid on the entire balance will be 0.05% with an annual percentage yield of 0.05% and ATM fees are not refunded.** We use the average daily balance method to calculate the non-qualification interest on your account. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the Statement Cycle.

Rates and rewards are variable and at our discretion may change after the account is opened without notice to you. Fees may reduce earnings. No minimum balance is required to earn or to receive the account's rewards. Rewards less than a penny cannot be distributed.
