### Kasasa Cash Back

**ELIGIBILITY REQUIREMENTS.** This disclosure contains information about terms, fees, and interest rates for some of the accounts we offer.

**Account Overview** - Kasasa Cash is a free, variable rate checking account with no minimum balance that rewards accountholders with interest and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycles.

**Purpose and Expected Use of Account** - This account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. For example, five debit card transactions, each for a dollar, conducted at a convenience store, two days before the end of the cycle period would not be considered by our institution as normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

This financial institution reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over six (6) consecutive Statement Cycles (e.g. not meeting qualifications to receive rewards).

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Cashier's Check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash Back account, any optional add-on products or services associated with this account will also be terminated at the same time.

**MINIMUM BALANCE REQUIREMENTS.** You must deposit \$10.00 to open this account.

**DORMANT/INACTIVE ACCOUNT INFORMATION.** Dormant Account Fee: \$5.00 monthly (after 12 months of inactivity) and balance is less than \$200.00; Chargeback Fee (Deposited or Cashed Item Returned Unpaid): \$5.00 Per item; and Account Closing Early (within 90 days): \$30.00.

**TRANSACTION LIMITATIONS.** No transaction limitations apply to this account.

Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.

"Monthly Qualification Cycle" means a period beginning one (1) Business Day prior to the first day of the current Statement Cycle through one (1) Business Day prior to the close of the current Statement cycle. The monthly qualification cycle will end on the second Tuesday of each
