KASASA SAVER W/KASASA CASH BACK

Rate Information: This Account is an interest bearing account. If the daily balance is less than \$10,000.01, the interest rate paid on that portion of the balance will be 1.00%. The annual percentage yield for this tier will be 1.00%. If the daily balance is more than \$10,000.00, but less than \$1,000,000.00, the interest rate paid on that portion of the balance will be 0.20%. The annual percentage yield for this tier will range from 1.00% to 0.21%.

The interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on the account Monthly. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly. If the account is closed before interest is credited, you will not receive the accrued interest.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$0.01 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$10.00 to open this account.

This disclosure contains the rules that govern your Kasasa Saver deposit account when it is linked to a Kasasa Cash Back checking account. Please refer to both this **AND** the corresponding Kasasa Cash Back Truth-In-Savings disclosure to ensure you have all of the information that is associated with your accounts.

Kasasa Saver is a free, variable rate, savings account with no minimum balance that rewards accountholders with interest when they meet the minimum qualifications associated with their linked Kasasa Cash Back checking account during each Monthly Qualification Cycle.

The **Rate Information** section above shows the interest rate and Annual Percentage Yield (APY) earned when your linked Kasasa Cash Back Checking account qualifications **are** met during a monthly qualification cycle. The monthly qualification cycle will end on the second Tuesday of each month. The statement will cycle on the following Wednesday.

NOTICE: If your linked Kasasa Cash Back checking account qualifications are **NOT** met during a monthly qualification cycle, ALL balances in your Kasasa Saver account will earn an interest rate of 0.05% with an Annual Percentage Yield of 0.05%. (We will use the average daily balance method to calculate the non-qualification interest on your account. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the statement cycle.)

The Cash Back reward and ATM Fee reimbursements will be credited to your Kasasa Saver account on the last day of the current statement cycle.

Additional Information Regarding Your Kasasa Saver Account.

Linked Accounts: You must have a linked Kasasa Cash Back checking account in order to open a Kasasa Saver account, and the Kasasa Cash Back checking account must remain open throughout the period that you hold the Kasasa Saver account. In the event that you close or we close your Kasasa Cash Back checking account, your Kasasa Saver account will be closed as well. When linked to Kasasa Saver, ATM fee reimbursements earned within the Kasasa Cash Back Checking are credited directly to the Kasasa Saver account on the last day of the current statement cycle.

Account Limitations:
